Membership Application Form

Please indicate the ethnic background of you and your children in the " *Ethnicity Box*" on the membership application form by selecting from the following list.

Our ethnic background describes how we think of ourselves. This may be based on many things including, for example, our skin colour, language, culture, and ancestry or family history. Ethnic background is not the same as nationality or country of birth.

The Information Commissioner (formerly the Data Protection Registrar) recommends that young people aged over 11 years old have the opportunity to decide their own ethnic identity. Parents/carers are asked to support or advise those children over 11 in making this decision wherever necessary.

MEMBERSHIP APPLICATION

Does your child's disability prevent them and the family from taking part in everyday leisure activities?

FUN is a family oriented group offering support to families who have a child with a disability or special need. We provide a wide range of activities during the year that encourage the whole family to participate: Holiday clubs including workshops, entertainment and sports; outings to theme parks, shows and local leisure; exclusive hire of local venues, indoor playground, swimming, cinema; evenings out for parents, information and support. Our activities are for members only and are for all the family. Parents/carers participate too and must remain with their children. During all our events we aim to provide an environment which is safe, stimulating, non-judgemental and fun.

Families are welcome to come along and try an activity before joining.
Please contact: Sandra 01582 523691, Diane 01525 636680 or Sarah 01525 841096
